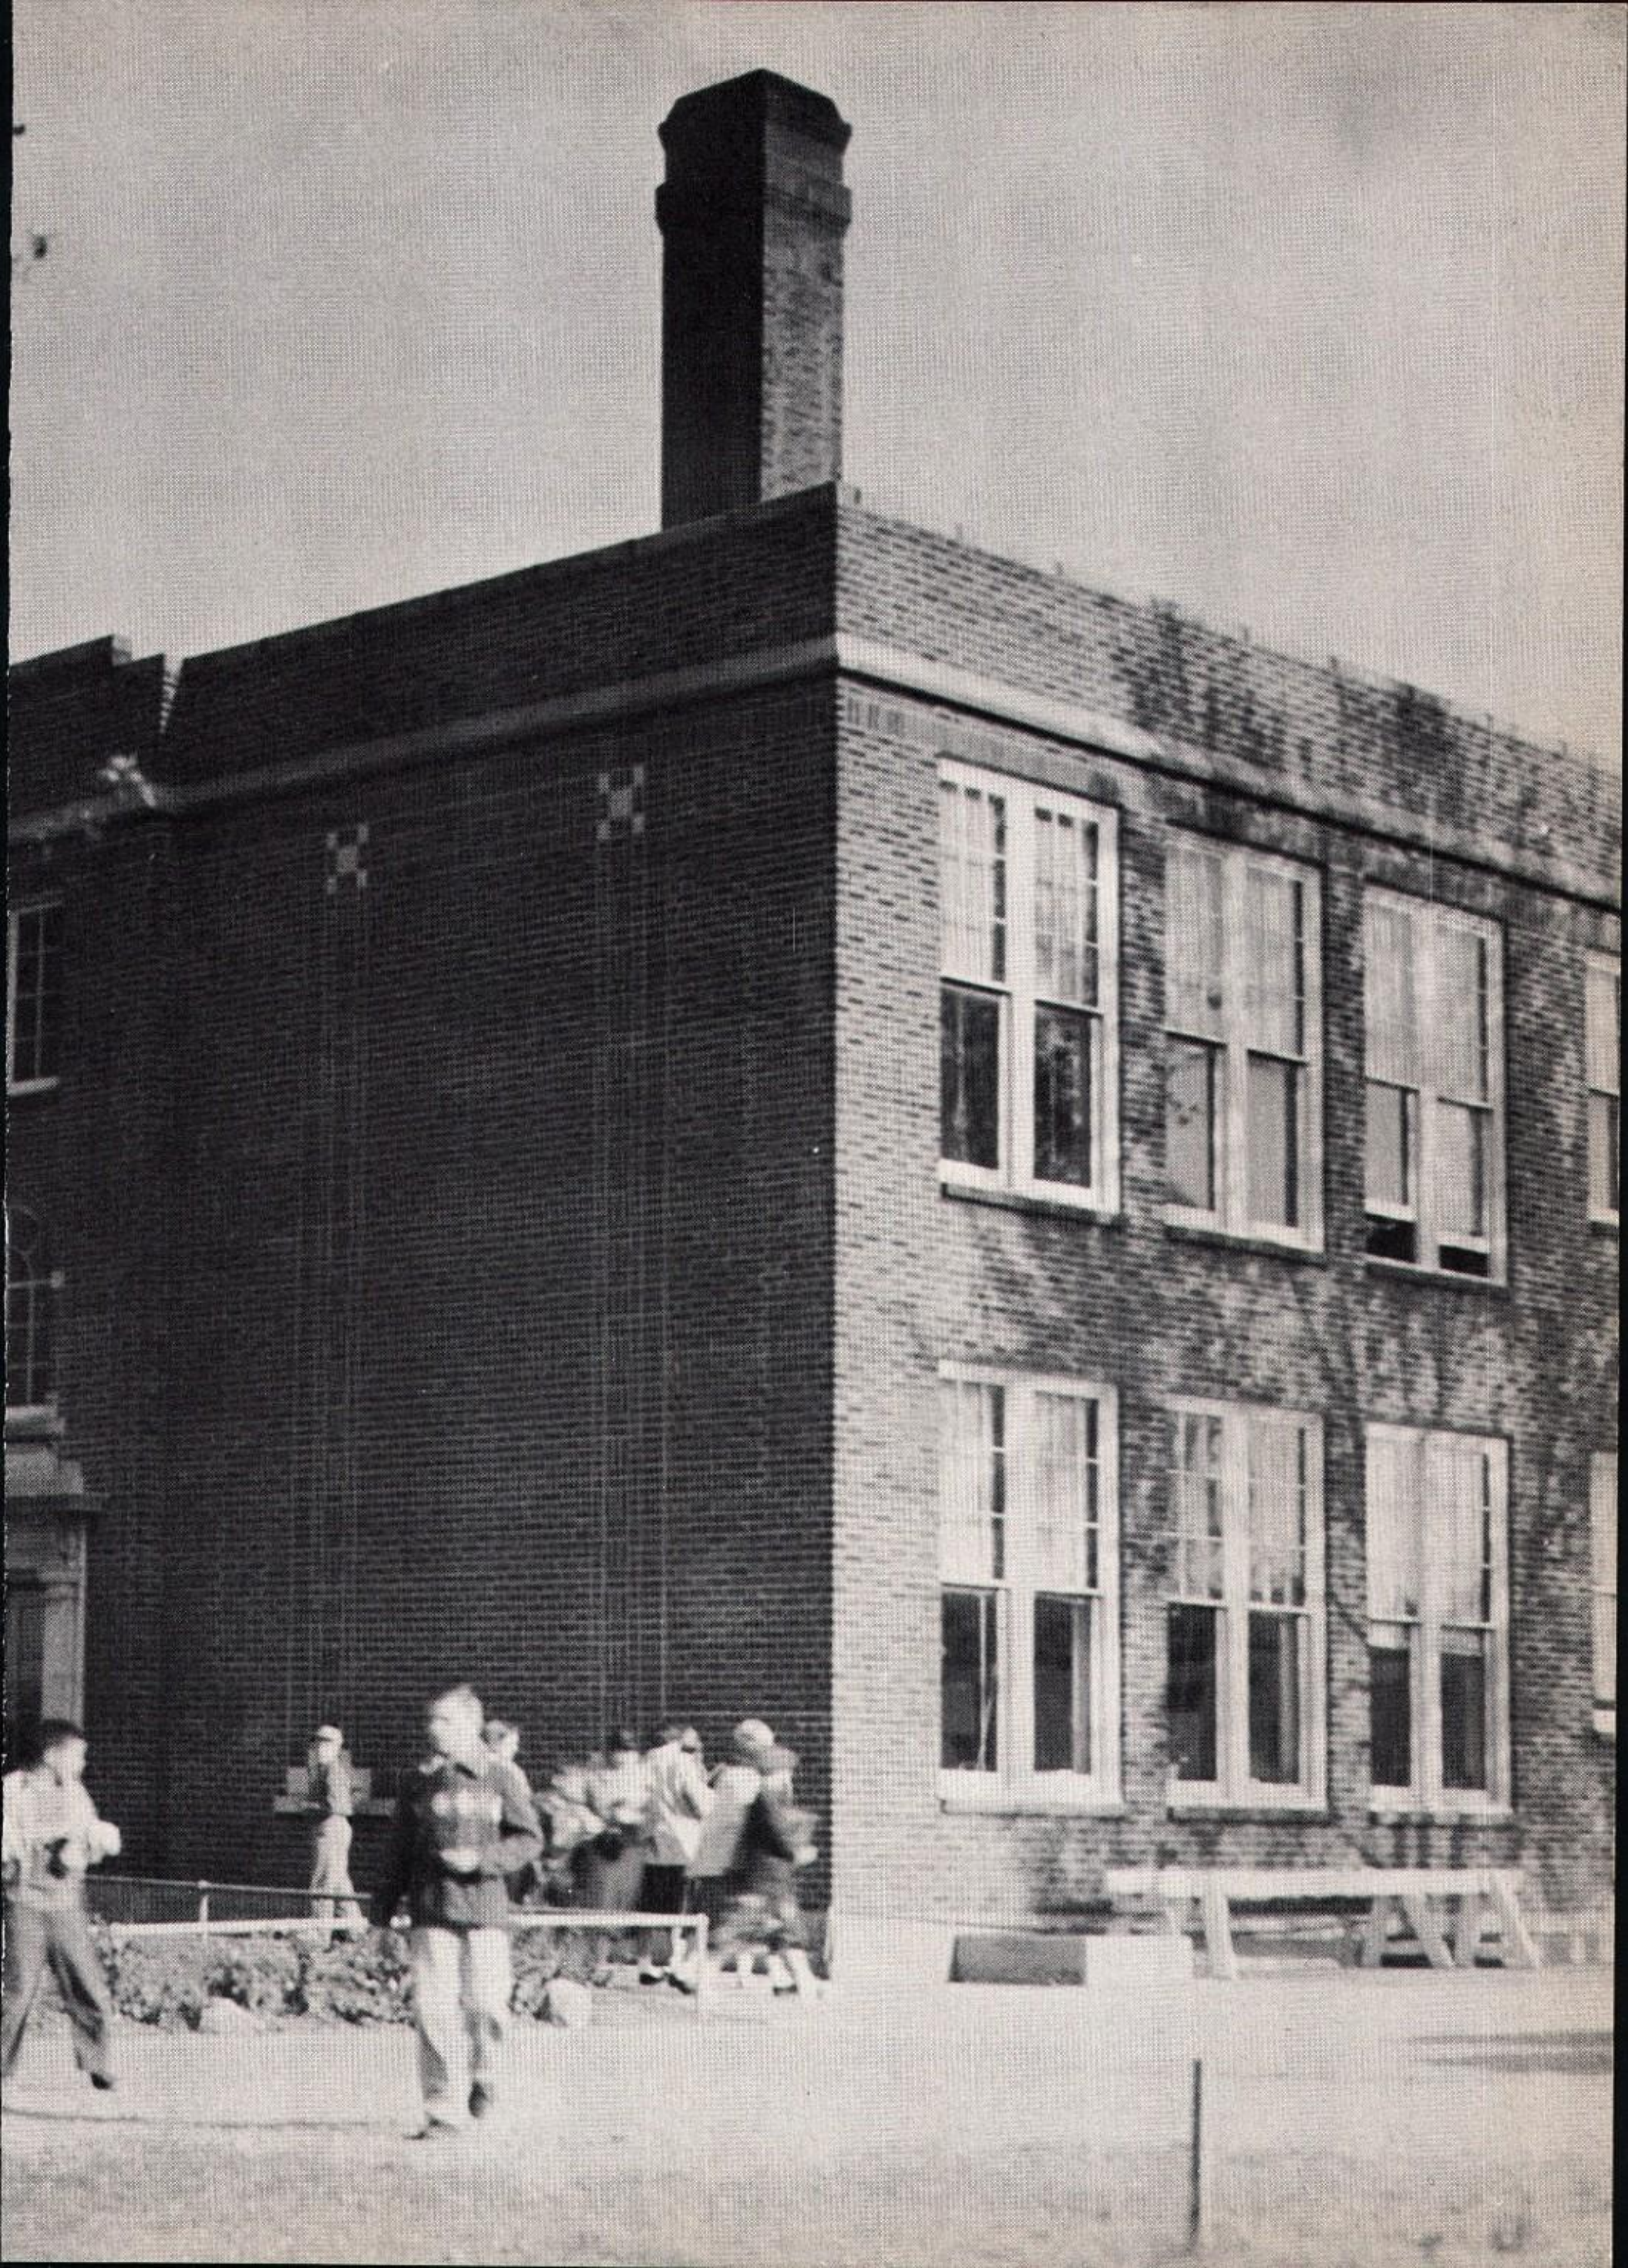
LAWRENTIAN

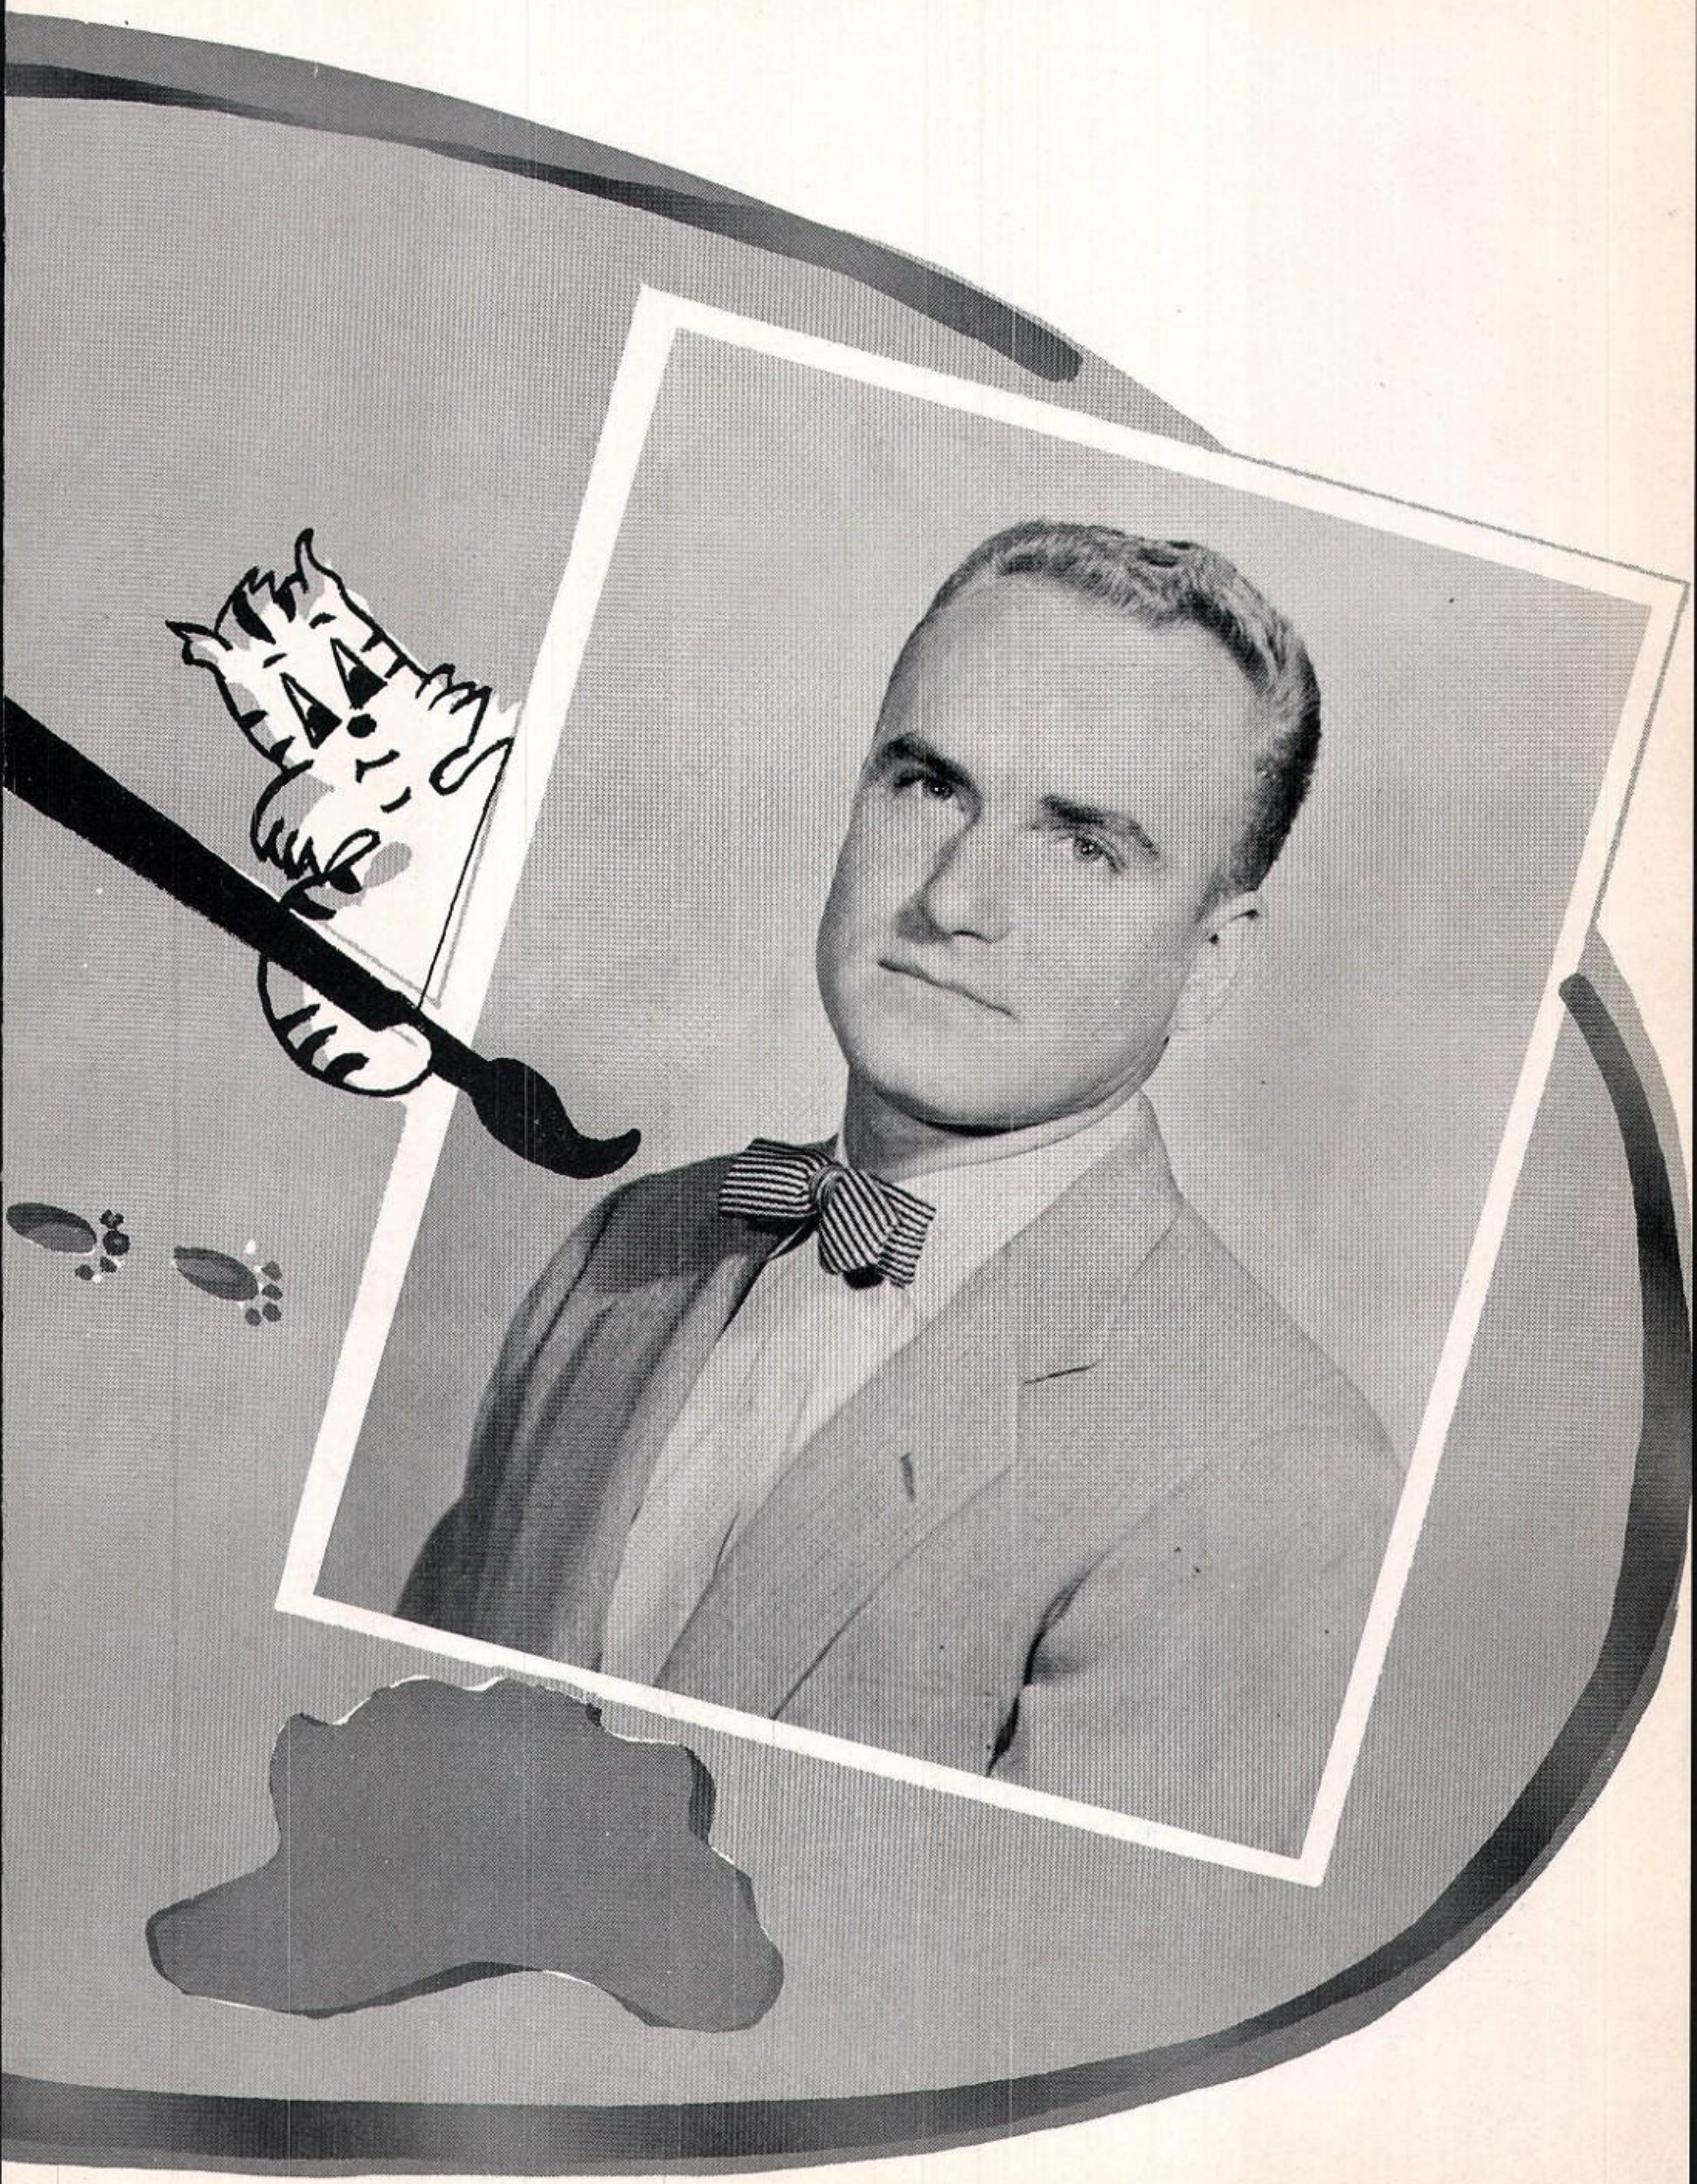


The class of 1956 presents to you, Lawrence Park High School,

the....

DEDICATION

The Senior Class of 1956 gratefully dedicates this yearbook to Mr. Vislosky, who has spent many long hours helping us to edit this book. Mr. Vislosky, during his five years in our high school, has won the admiration and respect of both students and faculty for his accomplishments in our art department. For his guidance and understanding, we would like to say, "Thank you."



Thomas Barringer, Shirley Boholnick, Clarence Brown, Marianne Carnahan, John Finnessy.
Ruth Fobes, Jean Forsyth, Harold Hadlock, William Kring, Paul Mahoney.

Eileen Ramsey

Bette LaRose

Mrs. Skellie

Mr. Rhodes, our supervising principal has charge of all the schools in Lawrence Park township. He is the direct representative of the Board of Education and is responsible for the employment and supervision of all school employees, the repair and maintenance of all buildings, grounds and equipment, the computation of the annual budget, and the purchase of all school supplies. He is doing a marvelous job and we would like to take this opportunity to thank him.

Charles Masso, Russell May, Jean Penman, Edward Poly, Cecila Puffinburg.
Howard Schilken, Jessie Skala, Grace Smith, Marion Snyder, Floyd Stanczak.

Frances Stonefoot

Mrs. Zimmerman

Betty Nuber

Mr. Skala, the high school principal acts as the student council representative and our guidance counselor. He selects the films for our assembly programs and is very active in the American Field Service program. In addition to these and many other duties, he is also the president of the P. S. E. A. We would like to commend him for the job he is doing not only in our school, but in all the schools throughout Pennsylvania.

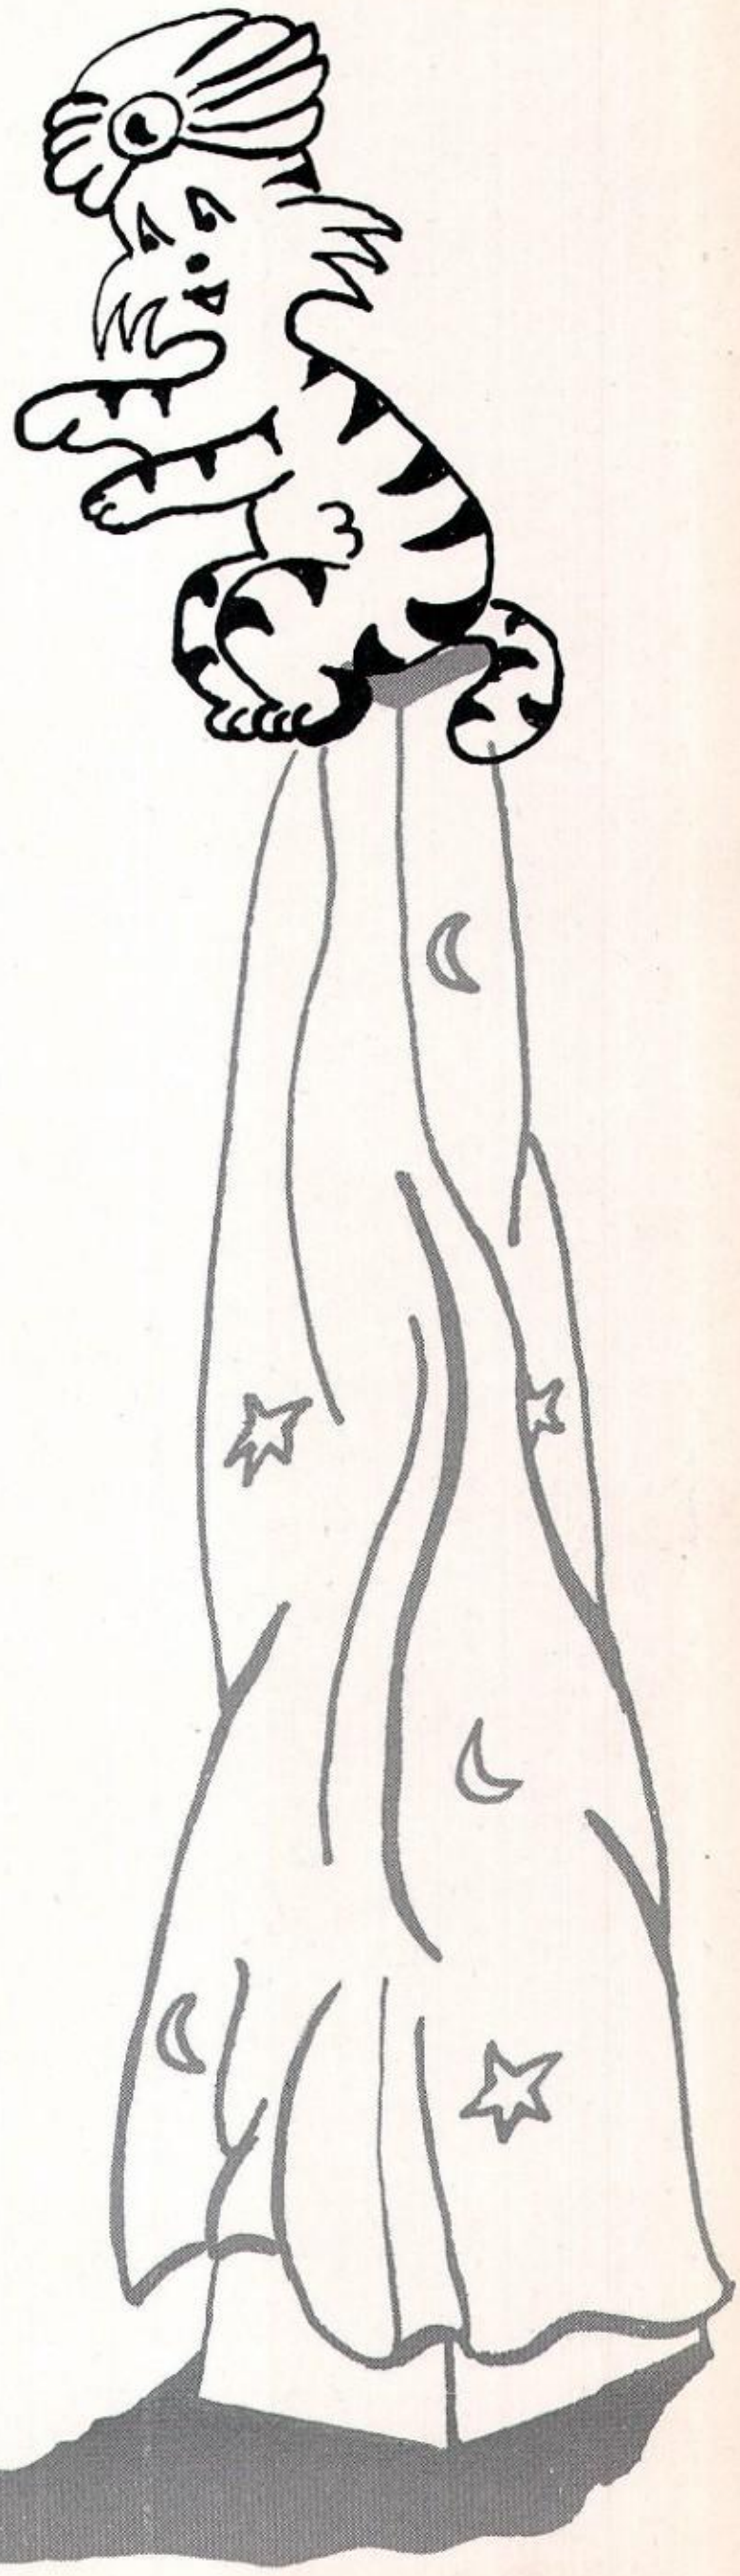
CLASS PROPHECY

When our beloved school teachers do retire,
Or "Keys", himself, them must fire,
They will look back to their favorite class
To see what became of each lad and lass;
About this class, there could be no mistake,
For they were never likely to them forsake.
They came to school fairly nearly on time
And learned all their poems that didn't rhyme;
But we're not here to talk about them
For them we are likely to quickly condemn;
For 'tis us whom we plan to discuss,
And how our dreams all became vaporous;
HARE and FEEN were two of a kind,
To be draftsmen, they had made up their mind;
SALLY SOUDAN, our capable editor,
Has become an interior decorator;
ROY TENNEY, the adventurous soul,
Beneath the sea doth play his roll;
The Federal Bureau of Investigation
Has recently put PAUL through initiation;
When to Germany, KLAUS did return,
In the banking business he made money to burn;
WILLIAM RUTLEGE, full of self-confidence,
Joined the Coast Guard for our defense;
The U. S. Navy will sail the world round,
It is there GIBBS and CULBERTSON will be found;
BUTCH MINICH shall become a machinist
And many a rusty bolt he will twist;
A pill pusher will become ALAN GREGG,
Mixing blue and yellow to form a green egg;
A buyer of women's clothing is her ambition,
For it is JANET KESTER will fill this position;
SEMI is a friendly little guy
Who will be selling hardware till he doth die;
PEG VICKEY plans to indulge in part
In the widening field of commercial art;
ROY SENSABAUGH will study the laws of the land
And many a jury will he command;
DAVE THOMAS and JOHN SCHILKEN to Mexico will fly
To study archaeology of the days gone by;
HERB TENNEY will be seen on the streets of Paris
Wearing a beret and painting some familiar terrace;
One enormous group of whom we must hear
Are those poor souls who will become engineers;
JOHN CYGNOR plans to develop a new jet,
While undecided is ROBERT STINNETT:
Chemistry will be DENNIS LUCE'S branch,
DAVE SIGGINS practices forestry on his Nevada ranch;
In the field of mechanics the following have sought,
None other than LEEMHUIS, FALZONE, and AYDELOTT:
BUD FRICK is the electrical one,
He is experimenting switches, circuits, and condensers for fun,
While CHARLIE ROBINSON, a ditch-digger at heart,
Will study civil engineering to do his part;
BOB HORN is looking for a wife who can sew,
While on the side he'll be a basketball pro;
TWILA will own her own Dairy Delight,
In her spare time stories may write;
CHARLES WOOD will be a man of the world,
Constantly having new homes unfurled;
DAVE WHIPPLE in some business will apply,
To be the president he might even try;
To fill the public accountant's position,
Is JOHNNY STEFANO'S present ambition;
BLYTHE, LOFTUS and STEELE we recently saw,
They all belong to the long arm of the law;
Of course, you want to buy that warming pan,
For it is TIM NEVIN that is the salesman;
MIKE'S back in England and many a tale does tell,
Spent his time designing offices and a modern motel;
DONNA BOWERS plans to become a beautician,
That's what we said--but for a mortician!
To sit everyday on the Boss' knee,
Is many a senior girls' position to be;
KATIE KORN, PHYLLIS NANTES, and BEVERLY YORK
Will fill this position till assisted by the stork;
Till their husbands them do restrain,
BETTE WEBB and KATHLEEN SANNER may this goal attain;
RAY, WALLS, and SAMSEL to business college must go.
For their shorthand dictation is rather slow;
EDINGER and CASE were the last to explore this field,
But they were soon swallowed up in life's battlefield;
The chemistry lab was very often smelt,
For in the line of research ROSIE dwelt;
BEE, over in Sweden, has started a new fad,

She's the journalist for their interpretation
of MAD;
Those are GEORGE'S feet beneath that car,
"Excuse me, would you please hand me that
crowbar?"
BILL CURTIS has taken over the part of
Macbeth,
He'll be a dramatic actor till the day of
his death;
WILLY REAVES, poor kid, we couldn't read
his writing,
An apprentice at the G.E. he's likely to be
dynamiting;
JOE BUZZARD has finally become air borne,
Even though the U.S. Air Force is rather
forlorn;
HIGBY and HIGBY were the two odd lots,
But now they're guides at your favorite
vacation spots;
Last, but not least, are the many severals
Who became hall monitors in homeroom
sentinels.
For it was they who relieved our poor tired
teachers.
Who ne'er found a seat in the gymnasium
bleachers;
When Mr. Mahoney became old and gray,
DAVE BELTRAM came and pushed him out
of the way;
While Miss Forsythe was quickly and quietly
relieved
By MARLENE, the girl with a trick up her
sleeve;
MIKE HOLMES stepped into the paintbrush
department;
Although Mr. Vislosky put up quite an
argument;
KUSS, SHEESLEY, BAUGHMAN, and
MOORHEAD were branded
When they tried to run the elementary
building single-handed;
NANCY JO became a professional home-
wrecker
When she took over Mrs. Smith's classes in
home-ecer;
JIM FETZNER now lets the boys in 7th period
Make some coffee as Mr. Kring did;
Mr. Skala didn't have to fire that teacher,
For LYNN is now the kid's new preacher;
That is why Jess our class doth remember
For it lingers on like a glowing ember;
Dan retired and so did she,
Thus, ends our class' prophecy.



FANTASYLAND

The 1955 Junior-Senior Prom was one that will live for many years in the memories of all who attended. Under the theme "Fantasyland" was chosen our theme song, "When You Wish Upon a Star." We as Juniors believed it to be the best prom ever.

Reigning as king and queen, Pat O'Neil and Anna Marie Bergan sparkled as they led the dancers around the floor--a tribute to them and their classmates for making such a wise choice.

PLAY

"Professor, How Could You?", a farce in three acts, was a huge success. Every person in the class had something to do with making it so. Directed by Mrs. J. Skala and her assistant Bette Lou Webb, the cast included (in the order of their appearance): Bill Curtis as the butler, Bob Falzone as Grandpa Perry, Sally Soudan as Vicki Randolph, Nancy Campbell as Grandma Perry, Jim Fetzner as John Appleby, Charlie Robinson as Professor Keats, Katie Korn as Priscilla Morley, Sally Sheesley as Valerie Whitman, Lynn Humphreys as Tootsie Bean, Bob Horn as Butcher Boy Bean, and three small children, Phyllis Nantes, Chuckie Arnold, and Kerry Ann Kennedy. It proved a barrel of fun for both the audience and the cast.

"Walk together; Talk together, oh ye peoples of the earth. Then, and only then, shall there be peace." This is the echo that is being carried to the four corners of the free world by specially chosen, messengers of good will. The program was started in our school in 1950. Since then it has grown to be one of the biggest interests of the school and community--a project of peace. To Germany this year, were sent Joy Baughman, Dan Higby and Bob Falzone; Lynn Humphreys went to Denmark. Joining our Junior and Senior classes were Birgit "Bee" Carlsson, Sweden; Klaus Roitsch, Germany; and Mike Chippendale, England. These three have come to be loved by all their friends and classmates and, in this manner, they have linked the U. S. with each of their countries. They, indeed, are splendid ambassadors.

JOTTINGS FROM THE JUNIORS

Last fall the Junior Class began working like busy-bees in order to raise money for their prom. The Refreshment Committee did a fine job selling candy and cokes at our football and basketball games. We feel that this project was very worthwhile, judging from the high profit we made.

The Ways and Means Committee did a splendid job all year as they introduced new ideas to the class for making money. Our most successful money-making project was a doughnut sale in which many members of the class participated.

Of course, the most exciting of all our projects was the Junior-Senior Prom. The committee worked long and hard hours making preparations for this gala affair. Because of their careful planning and painstaking effort, it was the most successful event of the year.

Our Junior Year has been very prosperous and exciting and how we are looking forward to our Senior Year in Lawrence Park High.

SOPHOMORE SOUND-OFF

The Sophomores entered the 1955-56 school year with fire and enthusiasm concerning our school work and outside activities.

Our first project was a doughnut sale which was a money-making proposition. It took place on October 22, 1955. Since building up the treasury was the number one job this year, the activity was very worth-while.

A hayride was held on November 14, 1955, at Sunny Acres. The Sophomores and our friends attending this gala affair enjoyed it immensely.

The tenth grade class program was a huge success and everyone agreed it was the best we've had.

As the school year rolled by we completed many industrious projects connected with the various subjects.

Now, as we look forward to our Junior year, we trust the Sophomore class of 1956-57 will prosper as much as we have.

FRESHMAN FOOTNOTES

The Freshman Class had twenty-two additions this year from Greene Township School. Many new friends were made and new experiences were gained by all. The class started off the year with two big projects: selling an autograph book called "School Daze" and holding a dance for seventh, eighth, and ninth grades. The sale of "School Daze" was a big success and the class made quite a lot of money. The dance also was a huge success and everyone who attended had a good time.

All in all, this was a good year for the Freshmen. New subjects, new friends, and new teachers made it a very interesting and profitable year for everyone.

Can't win every time.

We, the class of 1960, wanted to make good use of the school year 1955-56. First we acquainted ourselves with the students from Greene Township who were to be part of our class for the year. A money-making social event was planned shortly after school had commenced. It was in the form of a skating party to which we invited the ninth grades to share in the fun.

At Christmas time we held a party which was the highlight of the year for our class.

To end our eighth year of school we produced what we thought was a very good class assembly. The time and effort given by everybody was all worth while when our end product was shown.

We find that the best way is to learn by doing. That is what we have tried to do this year in the hope that we may improve ourselves for next year.

SCOOPS FROM THE SEVENTH

This year's class officers for the class of "61" were Eddie Gross, president; Pat Creveling, vice president; Julie Cunningham, secretary; Sandy Suminski, treasurer; and Janice Hall and Eddie Grzekak, auditors.

As of December 16, 1955, our class has had a bake sale and a Hallowe'en costume party. The bake sale was held on October 8, at Demmetter's grocery store. We made a profit of $37.90. Our class hopes to have a skating party during January or February. Definite plans have not yet been made.

So far our class meetings have been a big success. We hope that all our following years at Lawrence Park High School will be as successful.

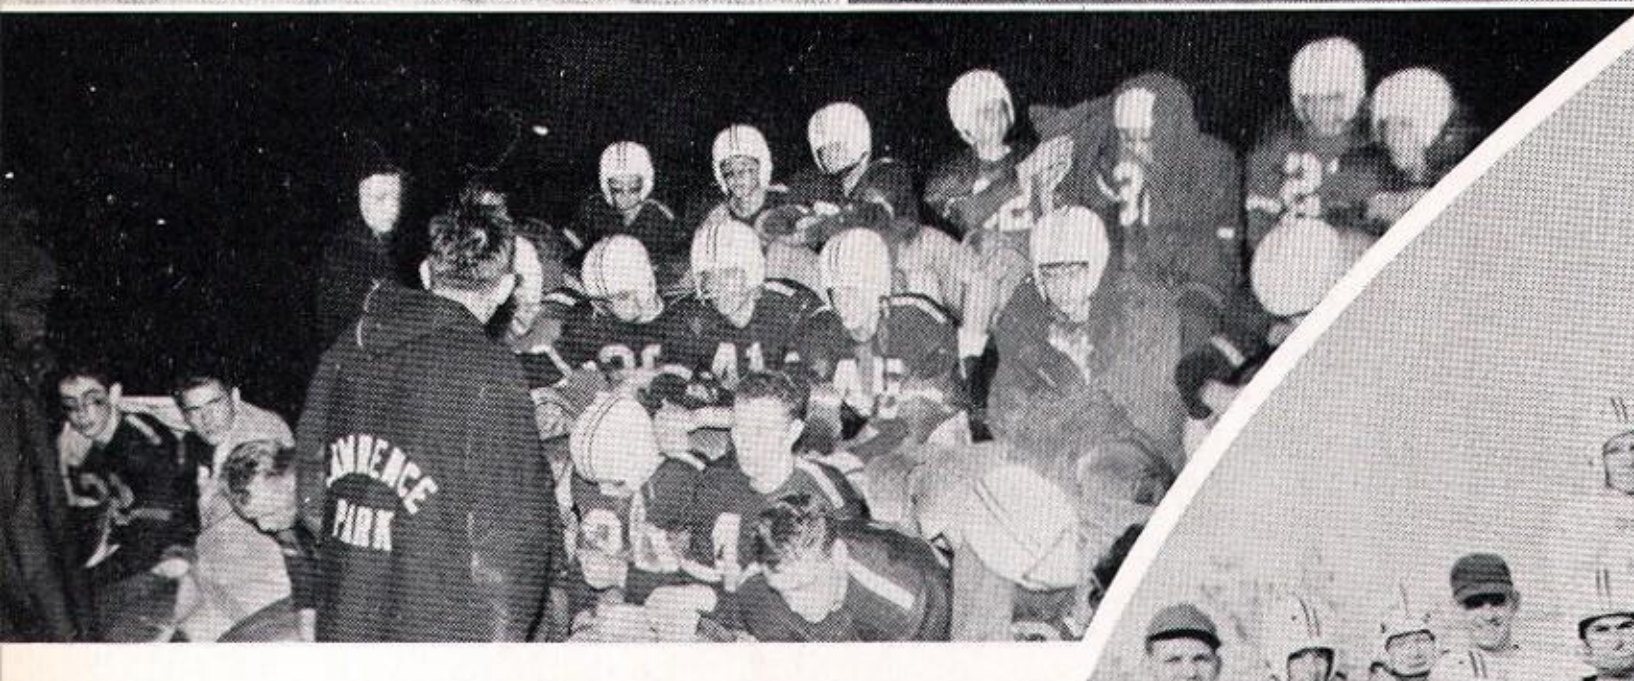
FINE ARTS

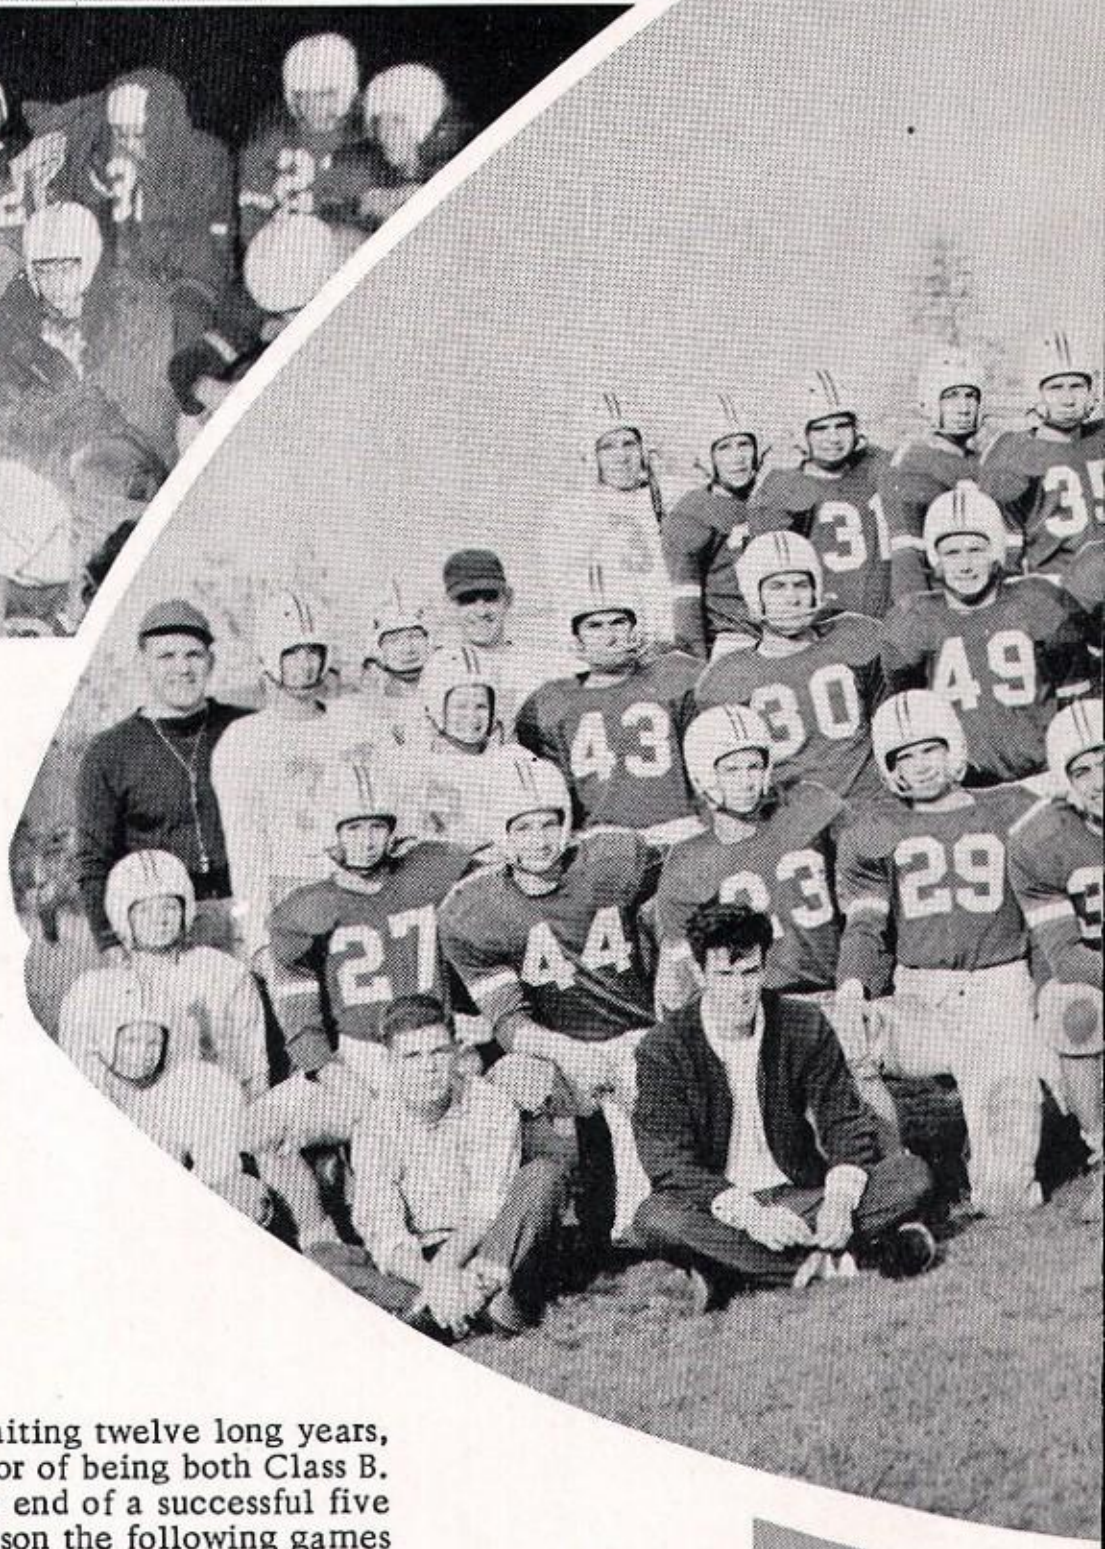
All year long our art department has been furnishing the rooms and halls with colorful and clever displays. Many of our students have won awards and high honors in both regional and national contests. Congratulations to this department for bringing these honors to our school.

The industrious shop boys have contributed much to our school. In the past year they provided bleachers for the Little League field, a much needed score board for our football field, and were always on hand when stage scenery or props were needed. Besides all this, they did a beautiful job painting the exterior of the shop building.

Remember those tantalizing aromas drifting from the cooking room when one of the cooking classes was in session? By the time our high school girls reach tenth grade their cooking abilities have become vary adapt. For this reason, whether it's the cherry pie contest or the Sears sewing contest, our girls always come out on top. They also entered the "Betty Crocker Search for the Homemaker of Tomorrow." Every spring you can see the girls taking part in the style show at the annual hobby show.

SPORTS





Champs at last! After waiting twelve long years, Lawrence Park has the honor of being both Class B. and District Champs. At the end of a successful five win, two loss, and one tie season the following games were cited: Best played game--North East; Most enjoyable win--Wesleyville; and the wettest game--Harbor Creek. Co-Captains Bill Reaves and Ward Minich, and head coach Mr. Poly and his assistants Messrs. Barringer, Brown, and Finnessy, were the foundation of our season's success. This year's managers were E. Reed, C. Robinson, R. Steele, and P. Smock. The Varsity lettermen were: R. Blythe, J. Buzzard, D. Feeney, B. Horn, T. Loftus, R. Frick, D. Luce, W. Minich, B. Reaves, J. Samson, J. Stefano, B. Stinnett, D. Whipple, T. Nevin, J. Goodman, D. Goodman, B. Burick, J. Dewink, B. Gourley, B. Dibble, and K. Snyder. Selected on All-County were B. Burick, R. Reaves, J. Goodman, J. Dewink, B. Gourley, T. Nevin, D. Goodman, B. Horn and D. Luce.

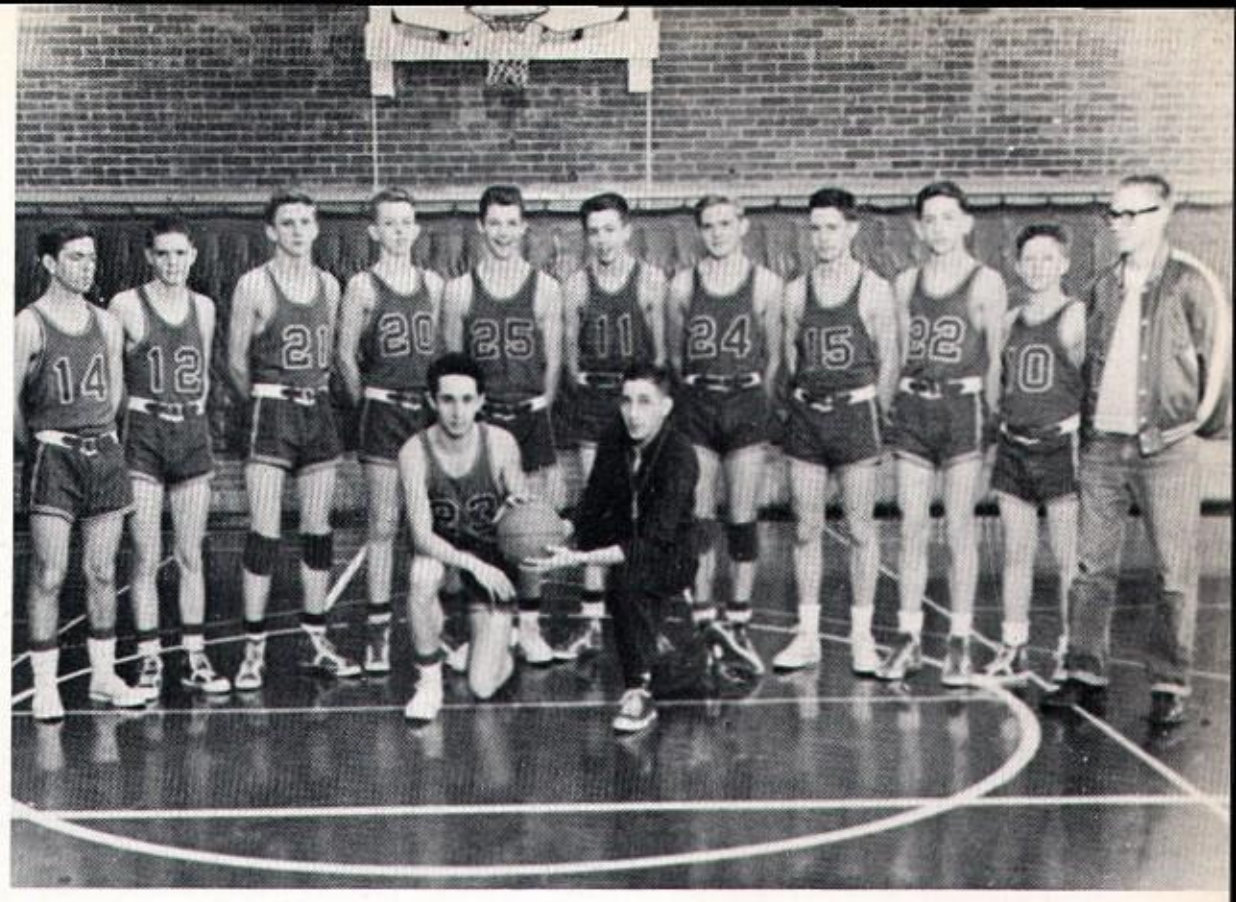
BASKET

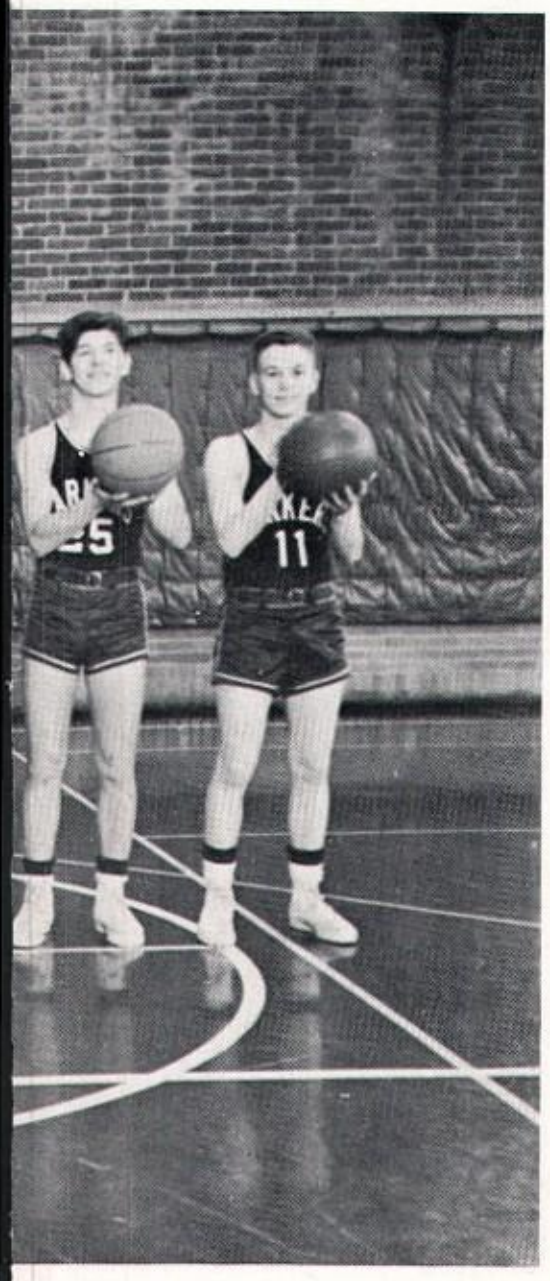
Like football, our Basketball team had high hopes of becoming Class "B" Champs. Our yearbook went to press before the final results were known but, according to pre-season reports from our basketball coach, Mr. Barringer, the results should be quite favorable. During the Christmas Vacation the Parkers proved Mr. Barringer's point quite successfully by winning this year's annual Holiday Tournament at Girard. Outstanding players in this event were: Bob Horn, who set a tournament scoring record of 31 points against Edinboro and was placed on the First Team All-Tournament; John Stefano, who received honorable mention; and Bill Reaves, who played very consistently throughout the tournament play. During the regular season such tough competition as Wesleyville, Edinboro, Girard, and Albion was met quite successfully by this year's fine Varsity Squad which consisted of : Captain Bob Horn, Ray

BALL



JUNIOR VARSITY BASKETBALL

Our Junior Varsity Squad, under the expert guidance of Mr. Parry, enjoyed another successful season. At the outset of the season George Hulsinger had the honor of being chosen team captain. George Renshaw was the team's energetic manager. Pictured above are, first row: Dick Flaugh and Coach Mr. Parry. Second row: Neale Anderson, John Bloom, George Hulsinger, Paul Minier, Jerry Olsen, Bob Gardner, Allen Repine, Tom Bergan, David Orchard, Frank Stefano, and George Renshaw (Mgr).



JUNIOR HIGH BASKETBALL

Under the leadership of Mr. Finnessy, this year's Junior High Squad molded itself into a very successful team. These boys, in playing Junior High Basketball, gathered much-needed experience which will aid them greatly in their future Junior Varsity and Varsity days. This year's co-captains were Jack Humphreys and Sandy Dalglish while Jerry Feeney and Ed Conrad assisted as managers. Pictured above are, first row: E. Conrad (Mgr.), R. Carson, D. Neal, B. Glasgow, D. Stefano, T. Johnson, and L. Niles. Second row: Mr. Finnessy (Coach), S. Dalglish, E. Gross, D. Finnegan, J. Cipallo, D. Horn, D. Davis, B. Erdle, J. Humphreys, and J. Feeney (Mgr.).

TRACK

According to reports from Mr. May, Lawrence Park's 1956 track team plans to drop out of Class A competition and only hold track meets with schools that have about the same enrollment as Lawrence Park, such as Union City, North East, and Harbor Creek. The returning cindermen this year are: Bob Horn, Bob Burick, Bob Bronson, Dick Flaugh, Tom Bergan, Charles Robinson, Bob Stinnett, Dennis Luce, Dick Goodman, Jim Goodman, Dean Knight, and Kenneth Snyder. Lawrence Park's 1955 representative in State Competition was Bob Horn, who competed in the hurdles.

GOLF

Lawrence Park's 1955 Golf Team, composed of Sophomores and Juniors, compiled a very respectable record in winning five out of ten matches. Through the fine golfing of: Dennis Glasgow, John Aydelott, Herb Dyer, Jim Fetzner, and Paul Hitzges, and the superb coaching of Mr. Poly, they took third place in a league heavily-laden with competition. The 1956 season should prove very interesting with the return of last year's complete team. Mr. Poly and his fine squad have high hopes of greatly improving their 1955 record.

TENNIS

Lawrence Park's "nearly" undefeated tennis team really showed a display of power throughout the city and county circuit last year in registering a terrific 8 win, 1 loss, and 2 tie record. Lawrence Park's only loss came at the hands of Cathedral Prep during a "dust storm" at Ainsworth Field. Matches with East, Tech, and Kanty Prep were cancelled because of inclement weather. The team consisted of Bud Frick, No. 1; Carl Pekala, No. 2; Terry Culmer, No. 3; Bill Brucker, No. 4; and John Bloom, No. 5. This year's team will be based around Bud Frick, runnerup in last year's Interscholastic Tournament, and John Bloom. Mr. Kring's coaching efforts are shown here.

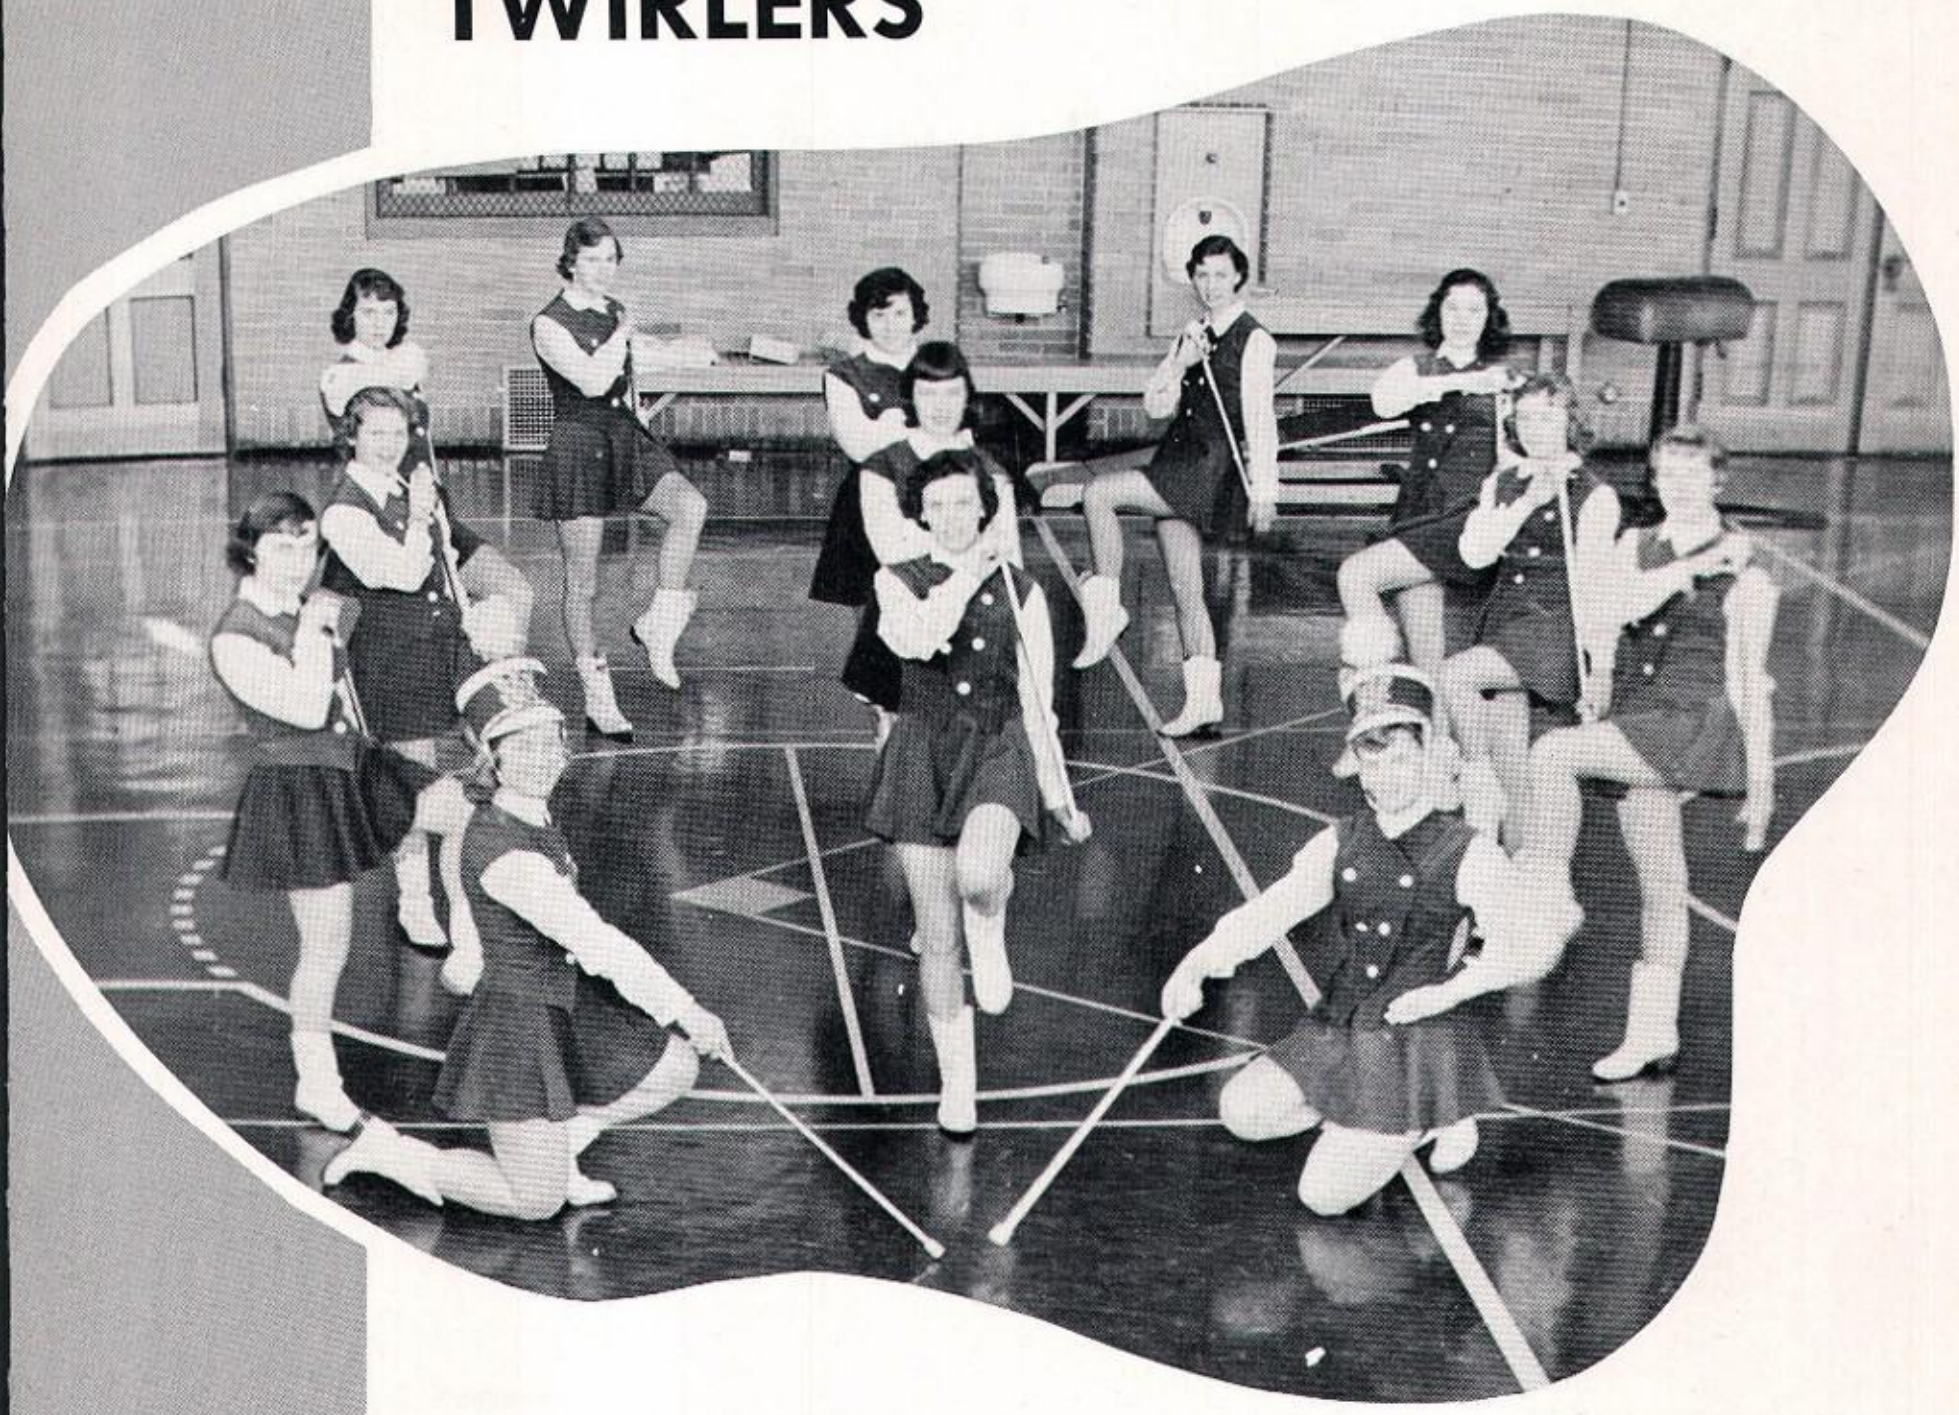
TWIRLERS



TWIRLERS

These girls, under the supervision of Mrs. LaRose and Miss Carnahan, can be seen taking part in half-time ceremonies at all home basketball and football games, besides marching in the annual Halloween Parade. Carol Anderson, Kathleen Sanner, Barbara Blickle, Kathleen Moorhead, Carol Lenning and Peggy Blunt do the flag twirling while Patsy Goss, Jackie York, Phyllis Nantes, Nancy Cochis, Judy Jordan, Barbara Boyd, Margaret Wilson, Beverly York, Marlene Massey, Sylvia Poulson, Mary Ann Rensel, Peggy Forester, Judy Soudan, Carolyn York, Dot Finley, and Sherrel Brakeman handle the batons.

BAND

This year, because of increased interest, our band has become greatly enlarged. As usual they entertain us throughout the school year by taking part in many school activities. Besides marching in the annual Hallowe'en Parade every year, they often promote school spirit by playing at our home football games in the Fall. Mr. Schilken can be proud of this year's fine band.

MIXED CHORUS

For the first time in many years, Lawrence Park has been able to organize a mixed chorus. This year eight of its members had the privilege of attending district chorus, held in the Spring, at Union City. We'd like to say "good luck" to this new organization and hope that it will continue to grow.

Dedicated by the
LAWRENCE PARK FIRE DEPARTMENT

What fond memories this picture brings to mind! Believe it or not, these little angels are the Senior Boys. They were second graders taking part in a Christmas program. Aren't they sweet?

The general chorus is composed of girls in grades nine through twelve. This ambitious group meets every Wednesday afternoon. Although they did not perform too often, the musical background they received was well worth the time spent. Mr. Howard Schilken, our capable music director, guided the songsters through a successful year.

JUNIOR CHORUS

Our eager Junior High girls organized the junior chorus this year. Many young talents are being developed with the aid of their director, Mr. Shilken. They meet every Monday morning at 8:00.

ORCHESTRA

Our orchestra was re-organized this year through the desire of the members and efforts of Mr. Shilken. They practice diligently from week to week. Two of the members, Bob Falzone and Dave Thomas, attended district orchestra at Cranberry.

F. T. A.

By earning "points," helping out at the Primary Building, engaging in an annual F.T.A. Day, and many other similar activities, the F.T.A. members gain experience in their chosen profession; namely, teaching. This year's officers are President, Bette Webb; Vice-President, Sally Soudan; Secretary, Peggy Blunt; and Historian, Dave Beltram.

NATIONAL HONOR SOCIETY

The members of this high-ranking society are composed of Juniors and Seniors. First row: Bud Frick, Herb Dyer, Bob Horn, John Aydelott. Second row: Sue Avery, Rosie Bender, Bette Webb, Johanna Moorhead, Joy Baughman, Nancy Campbell, Carolyn George, Lynn Humphrys, Twila Myers, Sally Soudan. These students are chosen by the members of the faculty and must meet specific requirements in leadership, scholarship, character, and service to the school and community. Being chosen a member to this splendid organization is one of the greatest honors which can be bestowed on any Junior or Senior.

STUDENT COUNCIL

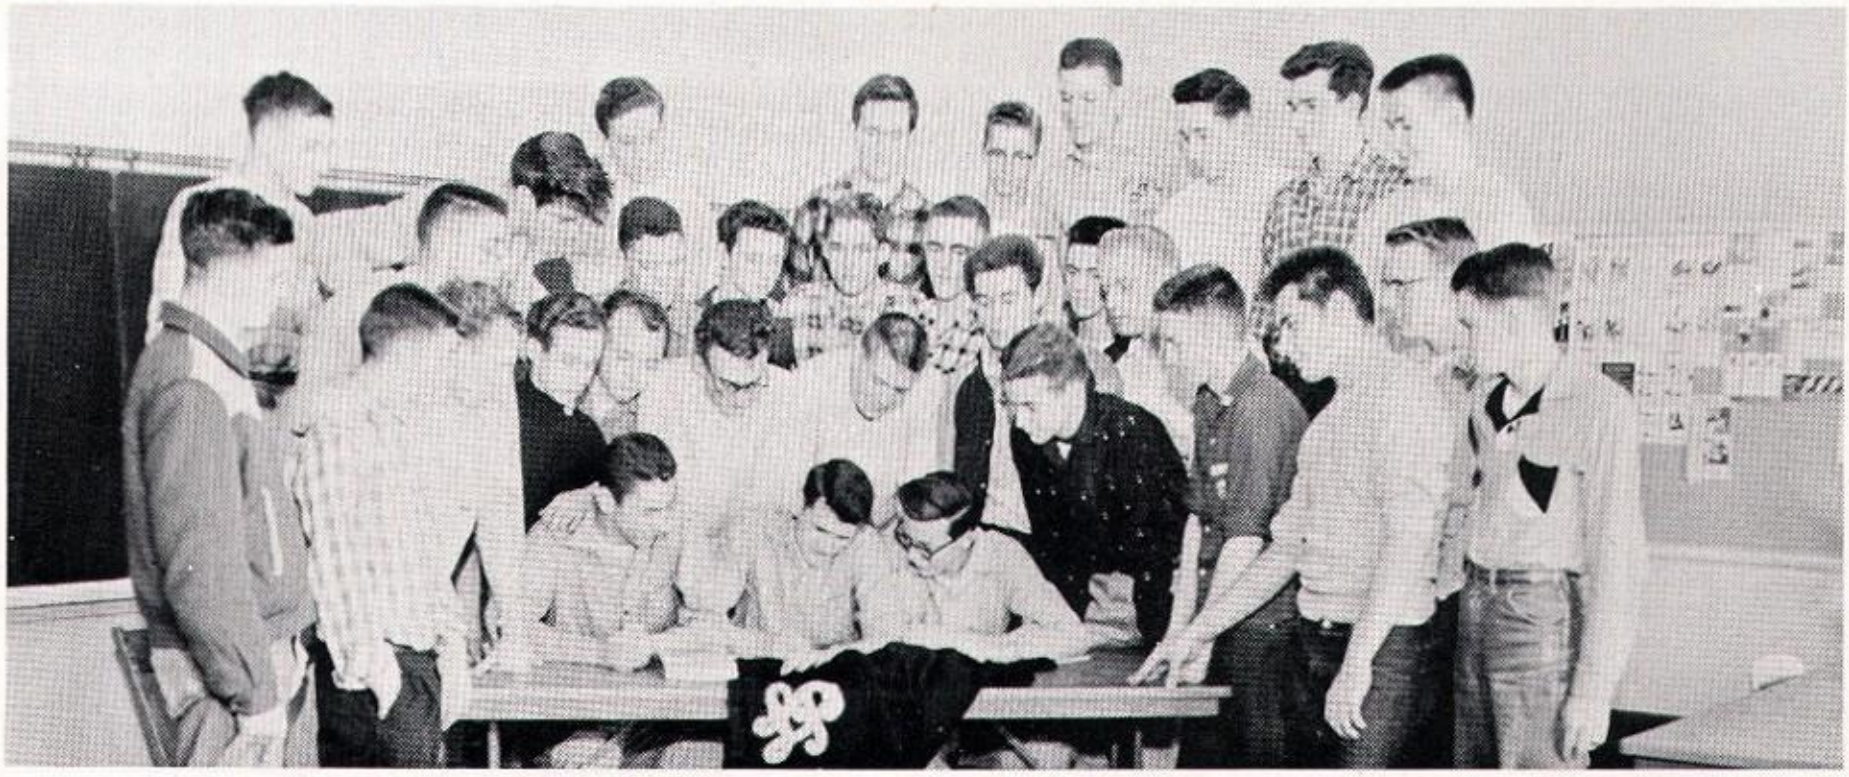
Every year a representative from each homeroom is chosen as a member of this fine organization. From these members the various officers are nominated and voted upon during a special assembly program, each nominee having his own individual campaign speaker. During the course of the year each member takes part in the job of governing our student body and in special cases assists in some special projects to help the school. The officer lineup this year consists of: President, Tim Nevin; Vice-President, Charles Robinson; Secretary, Carolyn Jones; and Treasurer, Tom Loftus.

DEBATE

With North East, Girard, Harbor Creek, McDowell, Wesleyville, and Academy providing the competition our Debate Team enjoyed another successful season. This year's question was "Resolved: That Governmental Subsidies Should be Granted to High School Graduates Who Qualify for Additional Training." Mrs. Snyder and her group also took part in an all-day District Tournament at Allegheny College and at the end of the year enjoyed a banquet.

LATIN AND SPANISH CLUBS

These two clubs, advised by Mrs. Puffinburg, are very active throughout the school year. Besides their annual initiations, they engage in dances, hold a noon-hour canteen, correspond with foreign countries and entertain many interesting speakers. Spanish Club officers are: President, Jean Robinson, Vice-President, Mary Lou Burick; Secretary, Pat Jenks; Treasurer, Mike Holmes; and Social Chairmen, Suzanne Yatsko and Bonnie Campbell. Latin Club officers are: President, Linda Roth, Vice-President and Social Chairman, Sonja Stangle; and Secretary and Treasurer, Sally Sibley.



VARSITY CLUB

This year's task of buying varsity jackets was accomplished through much hard work. Through many doughnut sales in all kinds of weather and by selling scorebooks at basketball and football games the necessary money was obtained. Also on tap were senior football and basketball games, which were enjoyed by all. The officers are: Pres., Tom Loftus; Vice-Pres., Tim Nevin; Sect., Herb Dyer; and Treas., Dennis Luce. Club advisers were Messrs. Poly and Barringer.

OUTDOORSMEN CLUB

Members of this club are interested in outdoor life and the many sports it offers, such as hunting and fishing. This year they also organized a rifle club. The officers are: Pres., Roy Tenney; Vice-Pres., Bill Rutledge; and Sect.-Treas., Norman Christie. Mrs. Stonefoot is their new adviser.

SAFETY PATROL

It is with deep regret that we the yearbook staff have omitted a photograph of our safety patrol. Due to circumstances which were unforseen, time did not permit the photographs to be taken. Whatever the weather, these boys are always found at their respective corners. Captain Steele and his squad show special concern for the elementary students who are more apt to neglect the various safety rules. There has yet to be an accident while these boys are on patrol. Again we express our apologies.

PROJECTION CREW

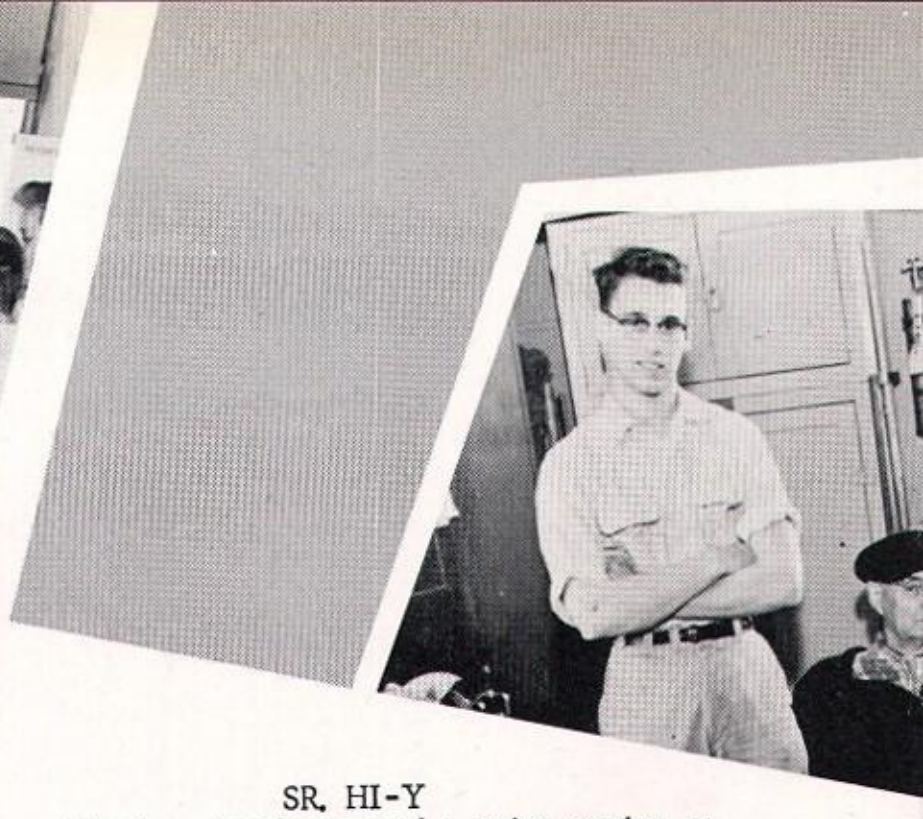
These boys are responsible for the handling of the projector during assemblies. They also run the projector after school or during classes for teachers or students who are inept projectionists. The members are: Terry Reid, Tom Savage, John Aydelott, Richard Steele, Herb Dyer, and Roy Sensabaugh.

JR. DRAMATICS CLUB

These underclassmen will no doubt prove to be the star performers in our future Senior Class Plays and other school productions. During the year they engaged in their unusual Christmas Play, a play commemoration George Washington's Birthday, and also a third play in the Spring. Mrs. Boholnick acted as advisor to the group and the officers were: Pres., Barbara Boyd; Vice-Pres., and Sec.-Treas., Peggy Caldwell.

STAGE CREW

Without a well-organized stage crew, all our assemblies, minstrel shows, class plays, and musical productions would surely be failures. These boys do a commendable job, especially in the moving of scenery and the handling of the lighting effects in our larger school productions. Several examples of their dexterity has been displayed this past year. Mr. Masso is the capable advisor of our stage technicians.



SR. HI-Y

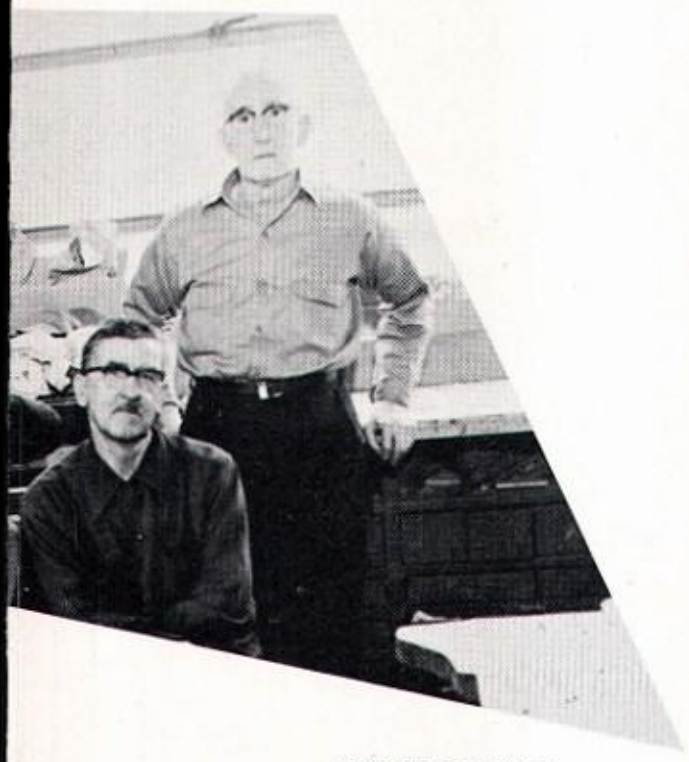
Movies, speakers, and a swim session at the Y. M. C. A. plus the choosing of Mike Holmes as our Hi-Y representative to the fake legislative Session at Harrisburg were the highlights of the Sr. Hi-Y's activities this year. The advisors are Mr. Cramer and Mr. Barringer and the club officers are: Pres., Bill Dibble; Vice-Pres., Paul Minier; Sect.-Treas., Bob Horn; and Chaplain, Bill French.

JR. Y-TEENS

This organization takes part in many annual activities both charity-minded and fun-making. Some of these include: The helping of a needy family at Christmas, the Winter and Spring Tri's ,and a Splash Party. The officers this year are: President, Bonnie Campbell; Vice-President, Bonnie Owens; Secretary, Letty Brakeman; and Treasurer, Gail Lamb. Mrs. Boholnick is the club's advisor.

SR. Y-TEENS

This very worthy organization is noted for its many charity-minded enterprises. Each Christmas and Thanksgiving it helps a needy family to enjoy the holidays a little more. Its annual hanging of the Greens at Christmas, and its party for orphans is proof of its worthiness and sociability. The group is advised by Mrs. Penman. The officers are: President, Nancy Campbell; Vice-President, Suzie Bendig; Secretary, Cecil Samsel; Treasurer, Judy Jordan; and Social Chairman, Joanna Moorhead.



CUSTODIANS

The school extends its thanks to Mr. McCreadie, Mr. Moody, Mr. Bennett, Mr. Price, Mr. Kennedy, Mr. Smith, E. Embler, and H. Tenney, our maintenance men, and to Mrs. Johnson, Mrs. Pochey, Mrs. Walls, Mrs. Feathers, Mrs. Schuld, Mrs. Yount, and Mrs. Chilcott, our lady custodians. Between them the school is kept in excellent condition.

ATTENDANCE MONITORS

These girls are in charge of collecting absentee slips during homeroom periods. This year's mascots to the track team are: Marlene Case, Kathleen Sanner, Cecile Samsel, Katie Korn, Marlene Schiefferle, Carol Edinger, Sally Soudan, and Sally Sheesley.

OFFICE MONITORS

Very often during the year "extra help" in the office is needed for it to function properly. This year's "extra help" was provided by S. Bendig, C. Krants, N. Anderson, S. Blythe, J. Walls, B. Curtis, C. Lenning, K. Sunback, M. Massey, D. Steward, B. Campbell, B. McMurray, G. Lundquist, M. Schiefferle and O. Bernsley.

JR. HI-Y

This expanding organization consists of approximately thirty members from grades seven thru nine. Their purpose is to strengthen the body, develop the mind, and to worship God. The club platform is Christian thought, Christian action, and Christian leadership. Speakers, movies, and trips are only a few of their annual activities. This year's officers are: Pres., Jack Humphreys; Vice-Pres., Ed Gross; Sect., Dick Horn; Treas., Sandy Dalglish; and Chaplain; Joe Payha. The capable advisors are Mr. Floyd Cramer and Mr. Tom Barringer.

HOMEMAKING CLUB

This very enterprising club engages in many activities during the course of the year. A few of these are their Tureen dinner at Christmas, their annual Mother and Daughter tea and of course, as always, they aid to the cause of many charitable organizations. Advised by Mrs. Smith, the club officers are: Pres. Elaine Buck; Vice-Pres. Pat Miller; Sect. Florence May; and Treas. Margaret Carando.

LIBRARY CLUB

The Library Club's main objectives are to gain more student interest in the library itself and to give the student a chance to serve the library. Members of the club experienced both of these objectives by learning the library and by working in the library. Mrs. Snyder is the capable advisor and the officers are: Pres. Carolyn George; Vice-Pres. Barbara Blickle; Sect. Peggy Blunt; Treas. Patty Schuwerk and Attendance Monitor Patsy Goss.

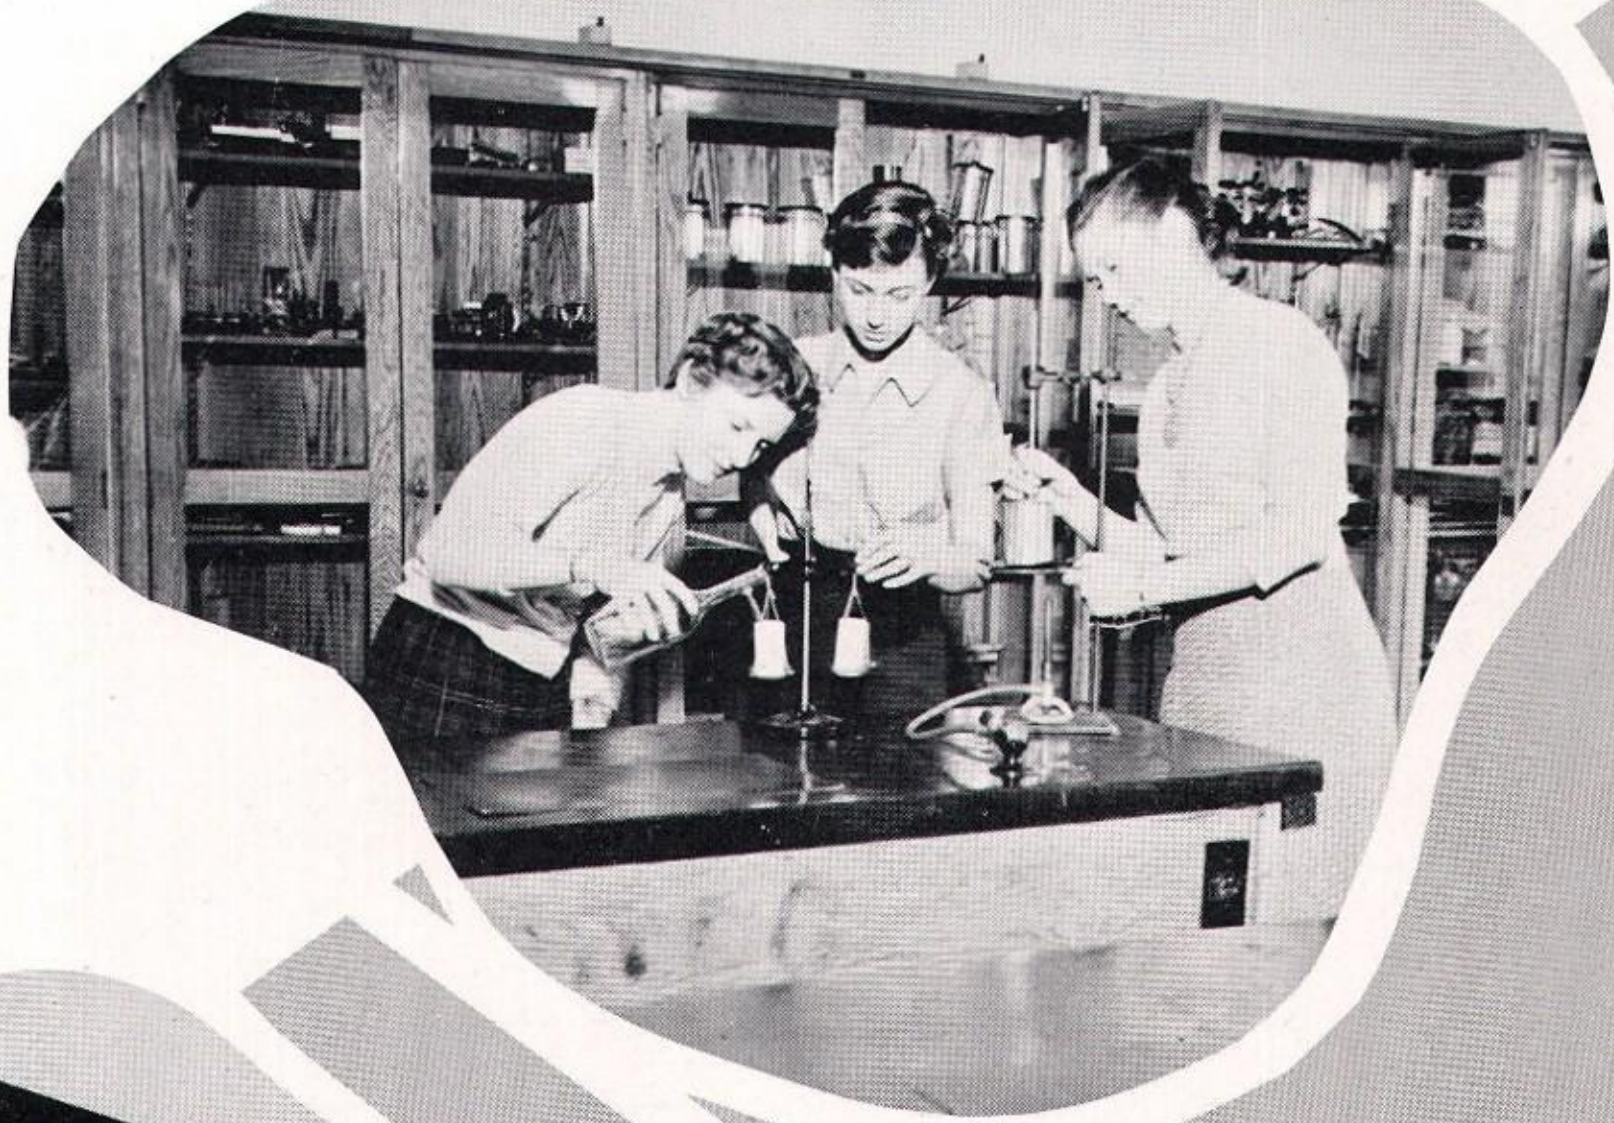
F. B. L. A.

Making its debut in L. P. H S. this year this club has really shown promise. Soudan's Restaurant was the sight of the club's first initiation as the Girard F. B. L. A. performed the honors. The club's purposes are: Business, Education, and Service. They entertain one speaker and hold one field trip monthly. The officers are: Pres., Sally Sheesley; Vice-Pres., Patsy Goss; Sect., George Renshaw; Treas., Cecil Samsel; and Reporter Klaus Roitsch, while the advisors are Miss Carnahan and Mrs. Penman.

YEARBOOK STAFF

Mike Holmes, Peg Vickey, Dennis Luce, Art Committee; Nancy Campbell, Senior Editor; Joanna Moorhead, Upperclassmen Editor; Rosella Bender, Underclassmen Editor; Bud Frick, Activities; Lynn Humphreys, Co-ordinator: Sally Soudan, Editor; Twila Myers, Photography; David Whipple, Advertising Manager; Bette Webb, Business Manager; Janet Kuss, Typist; Marlene Schiefferle, Typist; and Mr. Vislosky, Faculty Advisor.

The above group was not responsible for its actions while this book was being compiled. We now feel, though, that the long hours were well spent. Congratulations are due each for a job well done.



ROME
CALERITO
EL RANCHERO
JUAN POSADA

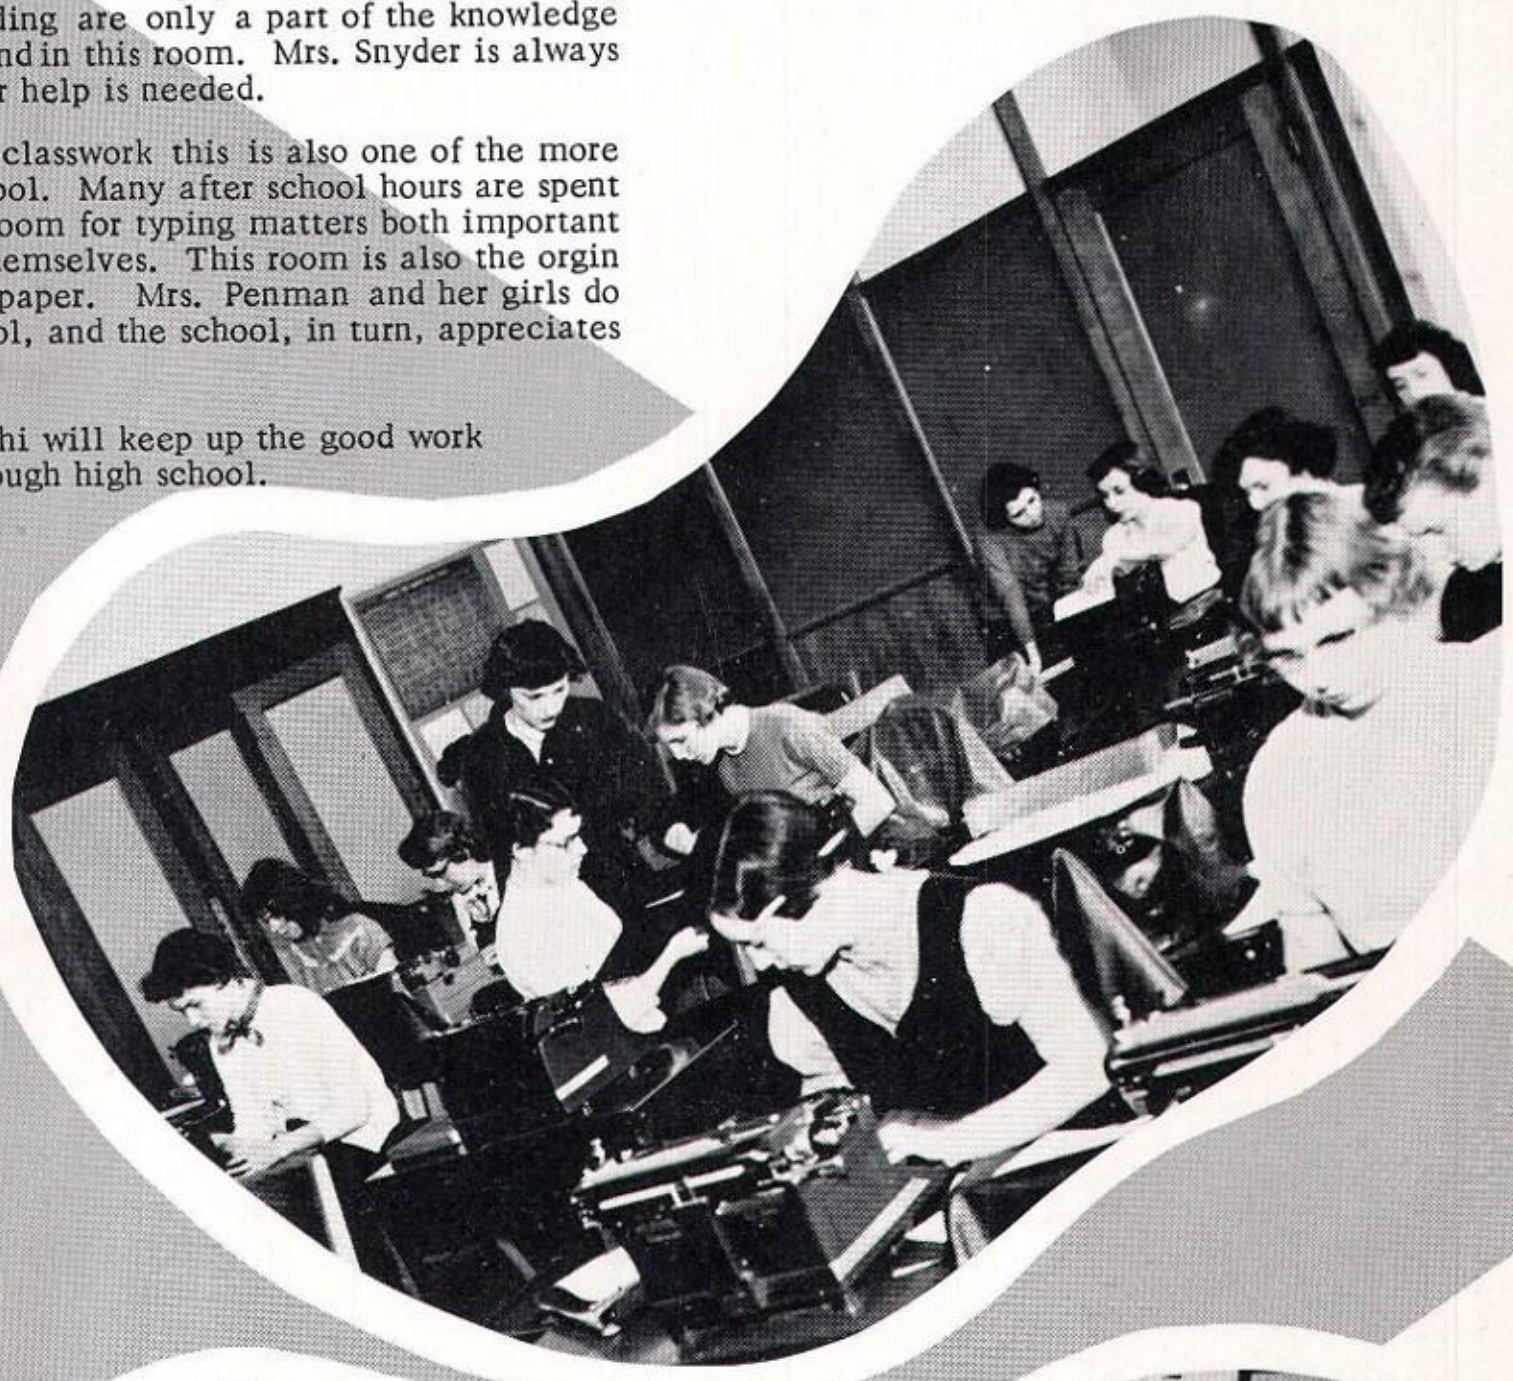
Lab is a place of many thrills and smells. The many loud explosions and strange odors created in this room are only a part of the attempt to better understand the world of science. Mr. Kring directs these pupils in their inquiries concerning this field.

With the leadership of Mrs. Puffinburg our students will soon be speaking Spanish better than the Spaniards.

The library is one of the better-known rooms in the school, especially to the Seniors. Research papers, projects of all sorts, and just everyday reading are only a part of the knowledge and enjoyment to be found in this room. Mrs. Snyder is always on hand when advice or help is needed.

Besides the everyday classwork this is also one of the more active rooms in the school. Many after school hours are spent by students who use the room for typing matters both important to the school and to themselves. This room is also the orgin of our weekly school paper. Mrs. Penman and her girls do much to aid the school, and the school, in turn, appreciates it to the utmost.

We hope our junior-hi will keep up the good work as they proceed on through high school.



Look's like another sleepless night.

Out to lunch.

Ain't they sweet?

OUR BUCKY

In memory of the only dog with a diploma. A loyal, lovable pal to the whole school has passed away. Never in his seventeen years was he churlish or cross. Children have crawled over and under him, but never once did he forget that he was a gentleman; never once did he complain. Over a period of time, thousands of children and adults have patted that smooth, brown head and looked into those kind, understanding eyes. It is only fitting, therefore, that his burial place is located in the school grounds which he loved so well. We will all miss our beloved Bucky.

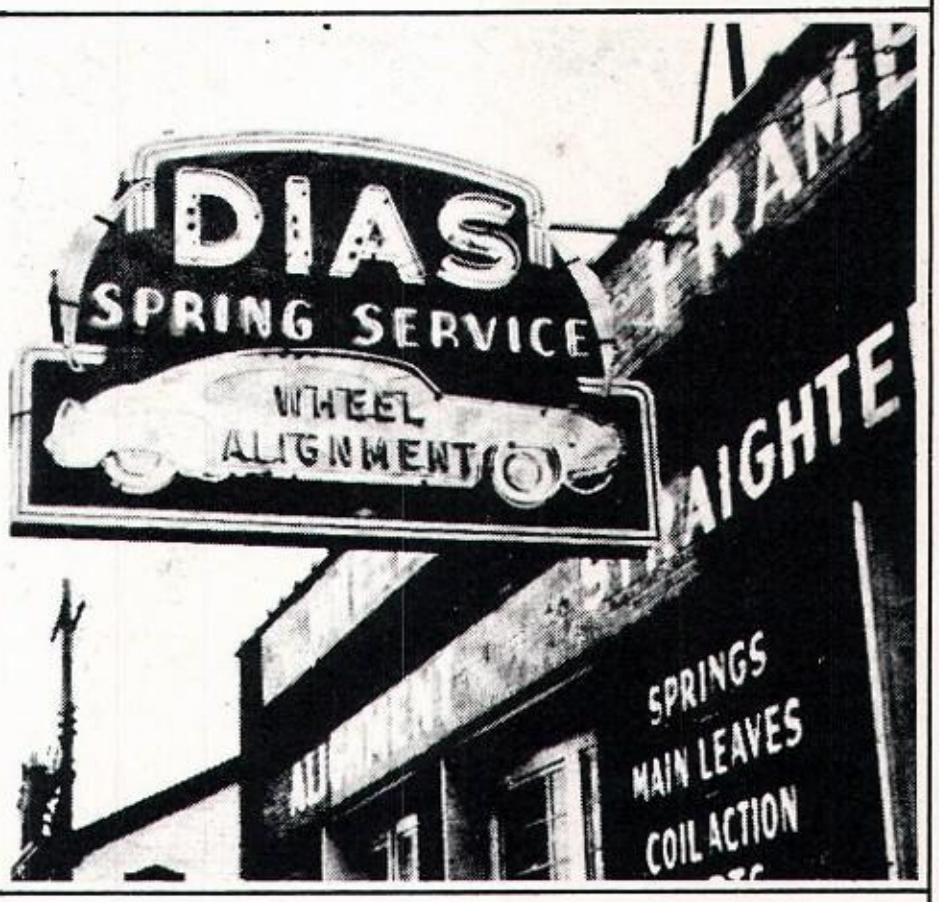
The front hall of our school is a very popular spot after school sessions. In the picture Lynn, Sally, and Bob are enjoying the "Pause that Refreshes." The only thing that's missing is Eddie Fisher.

The experienced mechanics at Dias Spring Service are well-equipped to repair your car. Their many services include wheel alignment, frame straightening, and spring service. Be smart, the next time you have a car problem, take it to Dias Spring Service, where it will be quickly and efficiently repaired.



A very popular spot to stop for refreshments after a ride is the Dairy Queen. Although this store is part of a national chain, it is owned by a local merchant; this assures you of good service. So the next time you go for a ride, be sure to stop at the Dairy Queen.
